

Dear [CONTACT],

It was so lovely speaking with you last week. Hearing directly from the source about the EQT Foundation's commitment to enhancing our children's quality of life, I am certain that our "Quantum + PPS" initiative aligns perfectly with your goals.

As a brief reminder, Quantum Theatre is a progressive theatre company based here in Pittsburgh and dedicated to producing intimate and sophisticated theatrical experiences.

The "Quantum + PPS" program is designed to increase access to the arts from historically underserved populations and increase the diversity of Quantum audiences by providing free tickets to select performances of all Quantum Theatre productions to all students attending a Pittsburgh Public Schools high school. While Pittsburgh stands out for our cultural vitality, there is still room to grow in terms of access and level of community engagement. We hope that by offering free tickets to PPS students, who are 67% non-White, we can take a step toward greater equity in cultural access and activate a passion for the performing arts in our young people.

The "Quantum + PPS" initiative directly addresses two of your major funding priorities: community enrichment, and education & workforce training. Through your sponsorship of "Quantum + PPS," the EQT Foundation will be a major partner in our efforts to improve the lives of young Pittsburghers.

I have enclosed with this letter a package of benefits for each level of corporate sponsorship. Quantum Theatre would be thrilled to have the EQT Foundation join us as a \$15,000 Underwriting Partner, offering you the highest number of benefits and greatest impact on our programming.

Thank you so much for your consideration—and I hope to connect with you further to discuss this wonderful opportunity.
